We broadcast the news in English daily at 03.30, 05.30, 10.30, 13.30 and 16.30 GMT/UTC. Normally the English feature programme follows the news except for the 16.30 news bulletin when it preceeds it at 16.00 GMT/UTC.

The English feature programme deals with Arab life, history and culture, both historical and present day. There is also a fortnightly Mailbag programme which we broadcast at the weekend and in which we discuss your reception reports and answer your queries about Dubai and the U.A.E.

We QSL all correct reception reports. These reports are carefully analysed and are of great help to us. Any comments and suggestions you may have on our programmes we are pleased to receive.
